

2007 is the half way point for reaching the UN's Development goals, which would cut extreme poverty in half by 2015. Poverty is increasing steadily and we are nowhere near our goal.

**Support the**  
**JUBILEE**  
**ACT**  
**Free oppressed**  
**nations from**  
**UNFAIR**  
**DEBT**

Debt cancellation through the groundbreaking legislation of the **Jubilee Act** will free up desperately needed resources for impoverished nations to fight HIV/AIDS, fund education, and provide clean water to their people.

Together we can help to end the rise of global poverty in this generation.
